WINEMAKING PROCESS

Harvesting: First selection on the vines of the grapes don't destined to reserve. Hand-picked harvest of the grapes in small boxes on full maturation after a light thinning.

Winemaking Techniques: Natural fermentation of must and skins in controlled temperature steel tanks. Daily handmade remounts respectfull of skins compactness. Soft pressed of the marcs

Ageing: the wine is aged in steel tanks and in the bottle for at least 12 months;

TASTING NOTES

In the glass, this wine shines with a lively ruby red, quite transparent. Its aromas are fine and elegant, with flowers, such as viola, and crunchy red fruits, such as sour cherries and marasca cherries. It features spicy notes of of cinnamon and cloves, balsamic notes of carob and a surprising blood note.

On the palate it is young, dynamic, with a beautiful freshness, backed by a present tannin, dense and sweet. It is a full-bodied wine, with a lingering finish showcasing floral notes: it invites you to drink it.

FOOD MATCHINGS

This wine is enhanced in combination with food, and perfectly matches meats and important first courses. Tips: lonzino meat with chestnuts and red fruits, tagliatelle with Romagna ragù sauce.
